

CERTIFICATE OF INTERNSHIP COMPLETION

This is to certify that Subashkrishnan has successfully completed an internship program with Sashainfinity Private Limited, serving in the capacity of a VR Developer.

During his tenure from January 20, 2026, to May 31, 2026, Subashkrishnan was a vital contributor to our technical team. He gained practical experience and actively assisted in the development of immersive virtual reality environments, 3D modeling, and interactive visualizations. His work supported our ongoing efforts to create engaging, technology-driven educational assets and simulations.

Subashkrishnan consistently demonstrated strong technical acumen, proficiency with industry-standard development tools, and a proactive approach to troubleshooting complex spatial and programming challenges. His ability to work collaboratively, coupled with his dedication to producing high-quality immersive experiences, made a highly positive impact on our project development cycles.

We commend his hard work, adaptability, and the innovative mindset he exhibited throughout his time with us. Subashkrishnan has proven to be a skilled and resourceful developer who will be a valuable asset to any technical team he chooses to join.

We wish him the absolute best of luck in all his future academic and professional endeavors.

Issued on this day, June 1, 2026.
